OPERA - CONCERT - BALLET - FESTIVAL ●●●●

La Bonne Mère, La Canebière and the famous bouillabaisse are emblematic of the city of Marseille. Beyond the cliché, the second largest city in France has a unique atmosphere, a mixture of good living and human warmth. The European Capital of Culture in 2013 saw an exemplary transformation of its infrastructure (notably with the opening of Mucem), propelling it once again to the list of leading tourist destinations.

With this touch of accent celebrated by Pagnol, Raimu and Fernandel, everyone sings in Marseille, which has a superb art-deco opera, one of a kind. All the great music lovers have already made an appointment to applaud the incandescent Karine Deshayes, an exceptional voice for L'Africaine. The Meyerbeer renaissance is underway, this performance promises to be marked with a white stone!
